Dear Sir or Madam,

Greater Manchester Spatial Framework

Public consultation on the draft Greater Manchester Spatial Framework runs from **31 October to 23 December 2016**. During this time, we would welcome any comments you may have on this document, together with the Integrated Assessment Report and other background papers.

Over the next twenty years there is a need to deliver continued sustainable economic growth, creating more jobs and new homes for the people of Greater Manchester.

The ten local authorities in Greater Manchester are working together to deliver this growth and to ensure that these new homes and jobs are provided in the right places with the transport infrastructure (roads, rail and public transport) and other infrastructure to support the communities and manage growth sustainably.

The draft Greater Manchester Spatial Framework sets out:

- How much housing and employment land is needed up to 2035.
- A number of strategic sites across Greater Manchester to assist in meeting these requirements.
- The importance of infrastructure such as, health, education, transport, green spaces and utilities to support neighbourhoods and employment.
- Ways to protect and improve the natural environment.

For further information on the consultation please visit www.greatermanchester-ca.gov.uk/GMSF

Paper copies of the draft Greater Manchester Spatial Framework may be viewed at Bolton Central Library and Bolton Town Hall One Stop Shop and at the borough's local libraries at Blackrod, Brightmet, Bromley Cross, Farnworth, Harwood, High Street, Horwich, Little Lever and Westhoughton.

A paper copy of the Integrated Assessment may be viewed at BoltonTown Hall One Stop Shop.
